

Jamie Cooper

Senior Producer / Post-Producer

Summary/Bio

Jamie is a highly organised and driven senior producer with experience across agencies and film production companies, specialising in large-scale, multi-market creative production. He thrives in fast-paced environments and is known for building strong, trust-based client relationships. Jamie is honest and direct when addressing challenges, confident in questioning assumptions and pushing back when needed, and creative in developing practical, production-ready solutions. He consistently goes the extra mile to ensure high-quality outcomes and the best possible results for clients and teams.
